Bryan Party Returns Lowell Won Game From
From New York New Bedford

FRED MARBLE OUT
OF CONTESTChanges in Republican
Precinct List

Frederick Marble, whose candidacy for representative in the 12th district has been causing the other contestants much worry, has given them an opportunity to breathe easier by withdrawing from the contest. Pressure of business in the cause for his withdrawal but in states that later he may yet be a candidate. This leaves the field to Dr. Downs and William E. Westall.

In addition to the changes made by the mayor in the democratic list of precinct officers announced yesterday, two changes have also been made in the ward seven list.

Four changes were made by the mayor in the republican list of precinct officers. In precinct 2 of ward 1, Henry J. McAtvin takes the place of William J. Carter. In precinct 2 of ward 6, Thomas Waugh succeeds Geo. J. Sanborn. In precinct 2 of ward 9, Harry H. Whittey will serve instead of Adam McElroy. In precinct 2 of ward 9, Foster Hensler is substituted for Fred G. Humphreys.

Ex-Councilman Arthur W. Lang has entered the contest for representative in the 18th district which includes ward 8 and will give Rep. Grant a tosser. Capt. Mitten has not yet been heard from. The Lowell democrats who went to New York to greet Bryan have all returned home with the exception of Mr. Humphrey O'Sullivan who is there on business and all report a grand trip. Some of the party were the guests of Dan McCaffrey, the well known actor at a dress rehearsal at the Hippodrome, yesterday.

PROPERTY.

PROVIDENCE, R. I., Sept. 1.—The first steps in the forwarding of the mortgage held by Frederick B. Perkins of this city on the Narragansett Park property have been taken, and the property will be sold at auction on Sept. 24 on the grounds at noon according to an announcement made by Col. Frank W. Tillaght, Mr. Perkins' attorney. Last night Col. Tillaght also stated that the action meant that the grand circuit light harness meeting will be held at the track next year.

The park was bought by Mr. Perkins in the spring of 1905 by a corporation of men identified with the running horse interests, the price being \$100,000. Of this amount \$25,000 was paid in cash. It is stated, while Mr. Perkins retained a mortgage of the remaining \$75,000. The last payment of interest was due on July 20 last, and has not yet been paid, this causing the foreclosure proceedings.

The Young Men's Catholic Lyceum of St. Patrick's church intend to tender a series of entertainments to the ladies assisting in their proposed carnival which takes place next month. Thursday evening next the first of the series will be held, and after a business meeting dancing will be enjoyed.

Miss Eugene Hayden has more than come up to Mr. DeDeyn's sanguine expectations in rehearsal and promises to become a favorite quickly. The other members of the company are all well cost and a smooth and delightful opening week's performance is assured. The demand for seats on the subscription list continues without let-up. BOXING GOSSIP

Gans vs Nelson at Goldfield, Nev., Monday. But there won't be many Lowell sports in attendance.

Young Kenny has at it with Rudolph Linhardt at the Unity cycle club in Lawrence, Monday evening, and there will be a bunch of Lowell members present. Finest Smith of the Franklin House, will take assessments from the Lowell members.

Henny Melloy and Joe Thomas at the Lincoln club, Chelsea, Monday evening. Jimmie Gardner would like to meet the winner.

The following interesting dispatch from Goldfield gives one an idea of sporting life on the "golden" west:

GOLDFIELD, Nev., Aug. 31.—"Every thing costs two Boston prices in Goldfield, and beer costs three."

Perched on a stool at the Montezuma lunch counter, the "Chicago Kid," a typical fight follower, was telling the crowd assembled about him what he thought of the Nevada standard of prices, using his own expressive style in doing so. It was apparent that the speaker was not too well belted financially. But he did have a wealth of philosophy, and applied it liberally.

"I've done all the sport towns," said the Chicago Kid "and I've paid some pretty fancy prices. I read about Klondike too, but Goldfield has it on Klondike at about the same ratio. I've been here for a week."

"No one here has a right to a shirlin steak appetite unless he's slappin' smotherin' with gold. I'm a ham-burger steaks-like I used to get in '04 for 15c—cost so much they taste like gold. A stack of hot cakes and honey drip, and all the other luxuries I'm used to at home are way up out of sight."

"I drifted into a barber shop the other day from force of habit, and got wise to why these gold diggers go around with hair on their faces like a herd of buffaloes. The barber made me a scrape with a razor made of a razor handle and a keen knife's back, knife blade, waxed my eyebrows with grease and put something on my back smellin' worse than horse liniment, then dumped me out. Charges, \$1.50."

Nolan and Donovan
This Afternoon

Jerry Donovan and Dan Nolan, the runners and their representatives, called at "The Sun" office last evening and completed arrangements for today's great match race on the South common. Donovan was represented by Billy Luby, the old-time runner, while Frank Looney, former New England champion, represented Nolan. Daniel J. Donahue, who had been acting upon for a starter, sent word that he could not officiate and the men then agreed upon Police Officer Charles Hamilton as starter and Frank Morrissey as referee, both gentlemen being former elder path favorites and well up in the game. They also agreed that Sheffield rules would govern the contest and that in the event of a dead heat the race to be decided in three days. Both deposited \$25 more, making \$50 each on the race. It is understood that over \$500 has been wagered on the result. The race will start at 2 o'clock this afternoon and the public is welcome.

NASHUA FAIR THIS YEAR WILL

The management of the Nashua Fair feels certain that the fair will be the best ever given by the association. The preparations are all complete for the opening on Labor Day morning, next Monday. The fine weather has given the contractors ample time to complete the additions to the exhibition halls and pens. The exhibits of cattle, horses, sheep, swine and poultry will be larger than ever before and the same may be said of the farm and garden produce, the fruits and flowers and the domestic and shop manufactures. The wild animals from Corbitt's park, and the big oxen, the largest in the world will be an added feature this year. The harness racing has allied well and good sport is assured. The balloon ascensions, two of which will take place on the first day and every one of which will be accompanied by a novel and death defying parachute act, will draw thousands of people to the grounds every day. The amusements of the midway will be countless, fresh and novel. A refined but interesting vaudeville entertainment will continue through every forenoon and afternoon. The special attraction of the first day will be the dragon's muster to which some thirty of the best hand tubs of this section have been entered. The second day will see all children under

the ages of 12 years admitted free. On the third day exercises will be conducted at Ayer, in the presence of his excellency, Governor McLean. The New Hampshire senators and congressmen have also accepted invitations. The fourth day will see a horse ball carnival. The Nashua fair comes with the close of the vacation season. Much anxiety was felt in Chelmsford yesterday when news of the big fire in Fryeburg, Me., was received, for the safety of the Oxford orchestra, at the Hotel Oxford in which building the fire broke out.

The leader of the orchestra is Miss Mary B. Raynes, teacher of music in the Chelmsford schools, while the other members are Miss Ethel Knibb of Lowell, Miss Wotton of Chelmsford, and Miss Horton of Pepperell.

Last evening in response to an inquiry it was learned that the young ladies had completed their engagement and had left the hotel on Tuesday. All are at their homes except Miss Raynes who is visiting her aunt, Mrs. Misses Blanchard at Fryeburg, Me. This orchestra has played at the Oxford for the past two seasons.

A part of Mammoth road was wet down with milk yesterday morning when Walter Andrews, the well-known milkman, attempted to root up a street car switch with the rear wheel of his milk wagon. LABOR DAY AT CANOE LAKE.

An event of the season will occur at Canoe Lake Park on Sunday, September 3, the occasion being the annual benefit of the Canoe Lake Park employees. The numerous employees are working very assiduously these days in preparation for the event, and it is looked forward to with much pleasure. It will be the closing event of the season at the popular resort and will be in every respect a success. A feature of the benefit performance will be the chorus of 20 voices chosen from talent that will be representative of the cities of Haverhill, Lawrence and Lowell, and doubtless many will make their first debut to the public through this fascinating medium (the stage). Mr. F. S. Austin, the manager of the show, was for several years with H. H. Hays, maestro, and Joseph McEvoy was with the Princess minstrels.

The appearance of both of these men is assured. Mr. C. H. Mann, the head waiter in the dining room, will be interpreter and there will be a big chorus many of which will be the lady waiters at the park. The public at large is not to be forgotten and many of the patrons of the park during the past summer will come in for a share of the fun and the little town of Salem, N. H., will not be overlooked. There will also be illustrated songs and moving pictures.

Has Caused Great Ex-
citement in JapanPLAYED AT THE ILL-
FATED HOTELBut Concluded Their
Engagement Tuesday

AT TORONTO, B. C., Sept. 1. The steamer Torina, which arrived yesterday from Japan and China, has caused great excitement in Japan. The steamer was loaded with Japanese soldiers and sailors. The steamer was loaded with Japanese soldiers and sailors. The steamer was loaded with Japanese soldiers and sailors.

Some of the press quite unimpaired Japanese soldiers, which are sailing. In 1901, some American prohibited from sailing under their own flag, started the practice of poaching under the Japanese flag with the assistance of Japanese sailors. Whether the Japanese were killed or imprisoned, the practice is still continuing, according to investigation. In view of the uncertainty in this point and as to the other circumstances it is not clear whether the killing of the Japanese sailors was justifiable or not.

FOUR LOST

BOSTON FISHERMEN LOST IN FOG.

BOSTON, Aug. 31. With her flag at half mast, the fishing schooner Bellona, D. Domingos came into port today and reported the loss of four men of her crew off the Georges Banks last Monday. The captain of the schooner, J. H. Domingos, reported that he had on board 11 men of the schooner, and that the four men who were lost were Domingos, George Links, Emanuel Rose, Frank Rose and John Jones.

Captain Domingos said that the fog off the Georges Banks was one of the worst he had ever seen on the fishing grounds. It shut in Sunday night over a fleet of 20 fishing vessels and on Monday more than fifty men were missing. He believes that the lost fishermen will be picked up by passing schooners.

IN VERMONT

A BIG FIGHT ON FOR GOVERNOR.

BURLINGTON, Vt., Aug. 31.—What is generally regarded as the most interesting political contest in the history of Vermont will close next Tuesday when the voters will decide whether Fletcher D. The campaign has been fought in the past few weeks in every town of the state, the smallest backwoods district having been visited by speakers representing the republican and fusion parties.

CHELMSFORD

The following letter, received by E. T. Adams, chairman of the board of selectmen, from the office of the superintendent for suppression of the gypsy and brown tail moths, tells of the progress of the work in the town.

Dear Sir:—Your town may be required to spend \$250.00 during the calendar year of 1906 and all above that sum the state will reimburse the town 10 per cent, which sum may be authorized by the state superintendent.

I would suggest that your board appropriate at least \$100 to carry on the work for the remainder of the year 1906. As the gypsy moth has been found several generally over your town, it is very necessary that this matter should have immediate attention.

L. HOWARD WORTHLEY, Assistant Superintendent.
